

Here are a few we made from flowers and leaves from our garden. We did one and took a photo and then rearranged the leaves to make a different shape.

If you don't have a garden you could go for a walk and collect some leaves as you go. Or make a sculpture on the beach with all the pebbles.

Perhaps keep the background plain or use a piece of paper to lay them on. Take a photo and send them to your teacher to make them smile!!
