What I can do in French at the end of Term 5 .	 Yes I can!	 I can with help.	 I've forgotten.
I can use masculine and feminine forms of the basic adjectives we use in class, including colours and old and new .			
I can read a simple sentence with a picture and say what it means.			
I can make a simple sentence to go with a picture.			
I can create a more detailed sentence to go with a picture.			
When I am writing a sentence, I know how to choose between masculine and feminine forms.			

Now you know some of the colours have a feminine form, please show the ones you can remember. If a colour has just one form, write a 1 in the circle; if it also has a feminine form, please write a 2 in the circle.

Use this space to write down what you have enjoyed about French this term:

Is there anything you didn't like?
