

Seaford Primary school Reading Newsletter

term 2 2022-23

Welcome to our second Seaford Primary Reading Newsletter this year.

With the Christmas holidays fast approaching, we hope to give you some ideas if a book or two is what you're looking for. Snuggling up with a book to share or read on your own could be the perfect way to escape the cold weather.

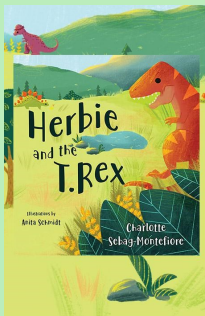

Both Key Stages had the pleasure of welcoming back the local story teller Xanthe Gresham for an interactive session based on her performance 'A Grandma's Grimm' The full performance is shown at Meeching Hall in Newhaven from the 10th of December so if you're up for a musical story-extravaganza, that's the place to visit.

"A reader lives a thousand lives before he dies . . . The man who never reads lives only one."
George R.R. Martin

At the end of November, we had the pleasure of meeting author Charlotte Sebag-Montefiore. She has written a story book and some rhyming riddles about dinosaurs and was telling us about which dinosaurs lived in Sussex many, many years ago. If you would like to find out more about Charlotte and read her latest Christmas story or buy one of her books, do take a look at her website

Thank you to everybody who supports our second hand book shop. We made £39 at the Christmas Fayre, which is added to what we've made throughout the autumn. The money pays for book tokens for our Word Millionaires in KS2 and for brand new books for all classes, which we purchase at least twice a year. The shop comes round to all year groups on a regular basis but is open all the time to anyone who brings in money. All books cost £1.

Some of our Reading Champions have been talking to children across the school about their favourite books. Here's what they found out:

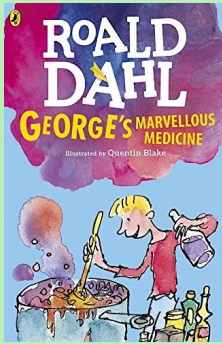

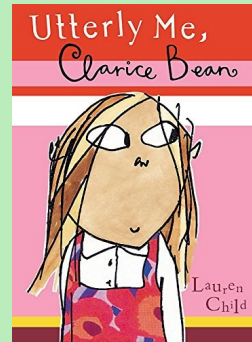

I like *Tom Gates Make and Do* by Liz Pichon because you get to make things. I recommend this book to anyone who likes making and creating things.

Bianca 4T

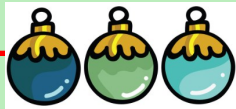

My favourite book is *Utterly Me, Clarice Bean* by Lauren Child. It's really funny and my favourite part is when Clarice reads her book. I recommend it to all children. I give it 4 1/2 stars!

Nephele 3B

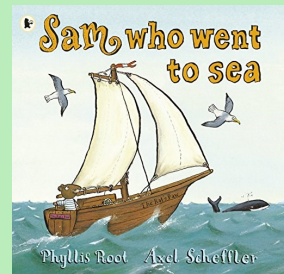

The book I recommend is *George's Marvellous Medicine* by Roald Dahl. On a gigantic scale I recommend it a 10/10. It's funny and creative and I recommend it to all my friends and family. I LOVE THIS BOOK!

George 2BW

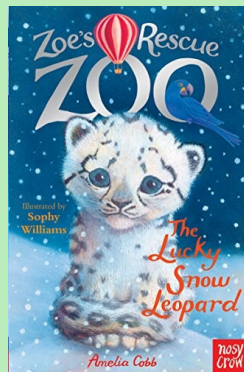

I really like *Sam who went to sea* by Phyllis Root because my class is learning about Shackleton. My favourite character is Sam the goat and the best part is when he gets a ship. I don't really like the turtle. I would recommend families to read it.

Benjamin 2R

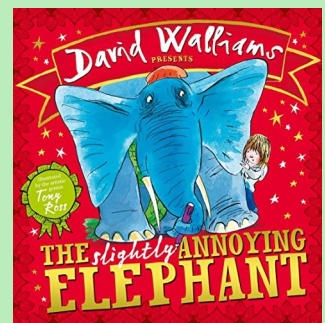

My favourite book is *The Lucky Snow Leopard* by Amelia Cobb. It's a cute, heart warming tale and I recommend it to all my friends. I loved it!

María 3PL

The book I've chosen is *The Slightly Annoying Elephant* by David Walliams. It's funny and the only part I dislike is the herd of elephants at the house. Overall I love how bossy the elephant is. 10/10

Wishing you all a Merry Christmas with lots of enjoyable reading!
